

## A+ Imaging partners with HP

In addition to the award-winning line of digital imaging products from Sharp Electronics and Konica Minolta, A+ Imaging Systems would like to announce its partnership with HP (Hewlett-Packard) as an Authorized HP Reseller.

Ask your representative about teaming up with A+ Imaging Systems for all your HP Products, Supplies and Service!

## Are you paying too much?

In a typical office, printing and document production expenses are the third highest after payroll and rent.

Surveys show that few if any businesses know how much their current document flow is actually costing them.

Our **FREE** on-site consultation will help to assess opportunities for your company to reduce printing, copying and document distribution costs.

## Churches & Non-profits

NEW SPECIAL PRICING programs are available just for you!

These NATIONAL level programs give you more purchasing power than ever before!
